

# Application for General Land Classification

State Revenue Office  
Department of Treasury and Finance

---

## Introduction

The [Land Tax Act 2000](#) requires the owner of land to advise the Commissioner of State Revenue if land ceases to be their principal residence land, primary production land or exempt land. Notification must be made in writing within 30 days of the change.

Use this form where there has been a change in land use that applies to the whole of the property.

*Where circumstances are such that part of the property only could be considered as principal residence, primary production or exempt land, please advise the Commissioner of State Revenue (by email or mail) within 30 days of the change.*

To complete this form you will need to quote the Property Identification Number (PID) or Volume and Folio number for the property (if known).

**Important:** From 1 July 2017, where a property has a principal residence land classification and the owner (who was residing at the property) dies, in certain circumstances the property may continue to receive the principal residence land classification for the financial year following the owner's death. Please email the details to the Commissioner of State Revenue at [taxhelp@treasury.tas.gov.au](mailto:taxhelp@treasury.tas.gov.au).
