

State Revenue Office FACT SHEET

First Home Owner Grant and Builder Boost statistics as at 30 April 2020

Introduction

The First Home Owner Grant (FHOG) is a one-off payment for eligible first home buyers/builders. It was established to offset the effect of the GST on home ownership.

In Tasmania, there is no limit on the purchase price of the property, and the grant is not means tested.

From time to time higher grant payments are available to eligible builders/buyers of new homes. Therefore, the amount of the FHOG varies depending on when the applicant enters into a contract to build their new home or, for owner builders, when construction commences.

Providing all eligibility criteria are satisfied, the amounts available are detailed below:

Dates	Amount available
1 January 2013 and 6 November 2013	\$15 000
7 November 2013 and 31 December 2014	\$30 000
1 January 2015 until 31 December 2015	\$20 000
1 January 2016 until 30 June 2016	\$10 000*
1 July 2016 to 30 June 2020	\$20 000
1 July 2020 onwards	\$10 000

**Applicants paid the sum of \$10 000 between 1 January 2016 and 30 June 2016 may receive a top-up payment of \$10 000.*

The \$7 000 Grant for established homes ceased on 30 June 2014. Contracts signed for the purchase of established homes after this date are not eligible for a Grant.
